AUDITION RECORDING

If you have not played for one of our faculty or staff and have not participated in Brass Week before, you must submit an audition/placement recording. We prefer recordings submitted on CD, but will accept recordings done on tape or mini-disc. Please label the case with your name and instrument. The deadline is a postmark deadline, it is not necessary to spend money sending applications via overnight mail to get it in by the deadline. The recording should consist of the following:

- Five minutes of a solo of your choice (accompaniment is not necessary.)
- Five minutes of a contrasting solo or etude.

APPLICATION DEADLINE

High School applications must be post-marked by **March 1, 2010**. Please make every effort to adhere to this deadline, as late applications will not be considered! Please notify us if you have any concerns about this (the sooner the better).
